### **AGAPE BAGS...Sew Beautiful!**

Remember when you saw your agape bag for the first time? God filled that eye-catching bag with love letters just for you. Will you help make a pilgrim's walk special? You can buy brightly colored rainbow striped fabric, (check the craft section at your local fabric store or WalMart), cording, and bright shoelaces to donate. Or you can make agape bags; they are sew simple to make, (12" wide and 15" tall, please). Say "I'll help" - just call Diana Farrar at 540-372-7535 or email her at HRHDiana@juno.com

## *Thoughts from the Lay Director...*

Spring has sprung! The birds are singing, the clocks have been moved ahead, the flowers are sprouting and trees leafing out. The men's walk will probably be over by the time most of you get to read this and the women will be well on their way in their preparations.

I recently saw a picture of one of those Uncle Sam posters from World War Two. You know the one where he points his finger and says I WANT YOU! In my mind's eye I could see Jesus on that poster saying the same thing to many of us. This spring we have many volunteer openings in the Emmaus Community. We need people to fill Positions on the board of Directors, a three-year commitment. We need people to fill positions on the Chrysalis steering committee, and people for the Team selection committee. We need people for childcare at our gatherings and people to help with music. As this community grows we have now and will have many opportunities to serve and participate.

As we contact people and ask them to step up, I hear all kinds of excuses. Not that they aren't good ones, but they remind me of Moses at the burning bush. (See Exodus chapters 3 and 4) God called his name and Moses says Here AM I, but when told that his task is to bring the children of Israel out of Egypt, he says Who Am I, that you should ask me to do this. Then in chapter 4 Moses says I am not eloquent, what if the people don't accept me, what if the people don't believe me. What if... Are there any of us in leadership that don't feel these very emotions, and have these doubts especially at the beginning? But like Moses we said yes and let the Lord lead us.

Frankly I like the way Moses deals with his situation in Exodus 33: 11-18. The Lord has become angry with the children of Israel at this point and tells Moses that He is sending an angel to lead them to the Promised Land. At which point Moses replied (in my paraphrase) if you don't lead us we won't go. This is the way I would like to be.

Lord if you don't lead us with your presence we won't go. This thing we call the Walk to Emmaus is bigger than we are, and we need to keep in mind that it is a ministry. This is the Lord's work; with ramifications that will reach... we do not know where. I've heard it claimed that the President of the United States, George W. Bush has attended an Emmaus weekend somewhere in Texas. Ask yourself how that may have affected the President's spiritual walk and thus the world. How many lives has that touched?

We do not know the lives that have been touched and will continue to do so as a part of the Greater Fredericksburg Emmaus Community. I am very happy to be part of it and glad that I didn't sit on the sidelines and watch but got active, made time, took part. You don't need to be out front, if you can do nothing but pray, that may be the most important part played. If you can watch someone's child so they are free to participate that might make a difference that you will not know this side of heaven. As Community Lay Director I have developed a wonderful appreciation for all the people that work in the background that are rarely seen or heard but make this community work. Just a small list includes newsletter editors, place mat coordinators, agape bag makers, supply coordinators, music coordinators, equipment and maintenance people, clean up chas that suddenly appear after every gathering, and I could go on and on but you get the idea.

If you are feeling a bit like Isaiah and hear God saying "Whom shall I send?" will your hand be raised? Here I am, send me! Being called to ministry does not always mean a robe and a Pastoral position.

DeColores

Community Lay Director

## Board News...

The Board of Directors met just prior to the gathering on March 10th at Wright's Chapel UMC. There was a quorum present.

We worked on the contents of the 4<sup>th</sup> day package that is given to new members upon leaving a weekend. It had come to our attention that there were a number of things that were unauthorized and out dated that were included in the packet that the community and our volunteers were spending time and money to include. We reviewed and voted on the committee's recommendations to put together what we hope is a more efficient and effective package. These changes will take place in time for FE 67.

The Board also received a report from Dick Barnett and the 4<sup>th</sup> day ministry regarding our gatherings. Attendance has been slipping, some complaints have been noted and I had asked the 4<sup>th</sup> day ministry to look into ways to revitalize our monthly gatherings. We received a report with many good points and ideas collected from the 4<sup>th</sup> day ministry and the community at large. The board gave the 4<sup>th</sup> day ministry a vote of confidence that it was working in the right direction and asked for them to "flesh out" some of the proposals and report back in the coming months. The hope is to have a working model by June when the new members of the board are installed.

The meeting was adjourned at 5:20 PM.

Your Board also asked that they publish their report in the April newsletter and request Community comment for consideration in the recommendation they make in May.

Community: Please review the enclosed 4<sup>th</sup> Day Ministry report on Transforming our Gatherings. Send any comments you have to Dick Barnett, the 4<sup>th</sup> Day Ministry Committee leader, with a copy to Dennis Warne, the Gathering Working Group Coordinator. Thank you!

### **Gathering Working Group Recommendation March 2007 Transforming the Fredericksburg Emmaus Gathering**

Contributors: Dick & Pat Barnett, Terry Cook, Barbara Larson, John Mann, Lola McDonald, Becky Patrick, Wes Price, Christine Tillman, Bill & Beth Walker, Dennis & Monica Warne

**Background:** What is the purpose of the Emmaus Gathering?

**Answer:** Attending Emmaus Gatherings sustains our ecumenical Community in close relationship in order to encourage, inspire, and educate each other throughout our 4th Day. The Gathering is the monthly reunion of all the members of the local Emmaus community. Its objectives are as follows:

1. To make visible the Christian community - persons of various churches and Denominations (ecumenical) who are united in pursuing transformation in the calling of "one Lord, one faith, one baptism".
2. To encourage one another to continue our walk with the Lord and to persevere in grace through the practice of piety, study, action; through membership in a Group Reunion; and through participation in one's own church.
3. To inspire one another to make profound changes in our own lives and in the environment in which we live.
4. To maintain relationships with other Emmaus pilgrims in order to build a vital community of persons to support future Walk to Emmaus weekends.
5. To educate the Emmaus community in the Walk to Emmaus Movement, weekends, and method for living the 4th Day.

The elements of the Gathering are singing, prayer, small groups, 4th Day talk, and Communion.

#### **Gathering Idea Summary**

1. Gathering Churches need to be identified 6 months in advance, have a lot of Emmaus members and be conveniently located.
2. Church selected should have Pastor Approval, (but usually has to go to that Church's Board/Counsel meeting for approval to use facility), Lead Layperson, (Community Coordinator), and Church Reunion Group, (assist Layperson and set up/clean up).
3. A layperson member at the Gathering church needs to be identified who will make sure all elements of the gathering are provided for - Facilities, Child-Care, Acoustics, Cleanup, and so on.
4. Teamers must commit to attending Gatherings before AND after their Walk - from the prior Walk to the next Walk - as a witness to the Community and to the Pilgrims.
5. A Board coordinator and church coordinator need to work together from 6 months in advance of a Gathering to insure that all is in readiness. A check off list of actions and facilities should be provided to include: (continued on Page 8)

**Gathering Idea Summary cont...**

- a. Day Care - facility and qualified workers/attendees (we may help pay for workers)
  - b. Large Facility, some Tables, Chairs, etc.
  - c. Sound System/PA System (can we use their installed one if they have one?)
  - d. Over Head Projection (can we use theirs if they have one)
  - e. Board meeting room (seats up to 15+)
  - f. Music/Praise Band practice
  - g. Local Church operator of PA and projection systems, plus has keys to open doors, lights, Heating & A/C controls, etc.
  - h. Kitchen - food prep and service
  - i. Set up and Clean up crew
  - j. Greeters/Hand shakers/Door people/etc.
  - k. Parking
  - l. Local Directions or signs to a new Church
  - m. Emmaus gathering information published on their local Church Web Page or their newsletter/bulletin
  - n. Local Church Praise Band usage (example Fairview's Praise Band for that Gathering)
6. Praise Band is a critical element in the Gathering - provided by the church or Community.
  7. Childcare is also critical - provided by church and/or Community - paid if necessary.
  8. Gatherings need to be promoted in the newsletter and on Weekends – with lots of advance notice on where they are located.
  9. Have the Gathering at Candlelight on each Weekend be the Gathering for that month. They are well attended and could be a motivation for the Community to attend other Gatherings. Further, it was noted that we plan 4 DDU/Gatherings a year with potluck fellowship. They are also well attended. Hence, we would only have 4 additional Gatherings to work on...interesting.
  10. Do a survey of Community soliciting input and suggestions on improvements to Gathering.

From the Board Treasurer: **IRS Changes for 2007**

Starting in January, to claim a deduction on your itemized tax return, the IRS is making it complicated. Taxpayers will need to provide backup in order to claim a deduction on their tax return; no more "lists" will be accepted. The taxpayer must provide a canceled check(s), bank record or a receipt from the charity listing the organization's name, the date of the donation and the amount. Beginning January 2007, we began tracking and recording all checks received as donations to the General and Scholarship funds. Team and Sponsorship fees are not considered donations. Monthly letters or annual statements will be mailed regardless of the donation amount.

If you would like credit for your cash donations made at Gatherings, Candlelight, Sponsors Hour, and Closings, please place the cash in an envelope marked with your name, address and amount. If you have any questions, please do not hesitate to contact me at 540-786-3038.

God bless, Monica Warne
