Thoughts from the Community Lay Director

Dick Barnett, Fairview at River Club, Fredericksburg Emmaus #7, Table of Mark

Wow – what a great Men’s Walk FE-80!!! We had all 24 Pilgrims attend and complete the Weekend. The music was great, the Talks were great, the food was great, the jokes were, well, not as great – but the surprises were WONDERFUL! Sponsor’s Hour, Candlelight and Closing were fantastic! (For those of you who are reading this and did not participate in any of these events, please don’t miss out in the future on the excitement, joy and worship opportunities afforded those who Team, Sponsor, Serve on the Weekend and attend the special events.)

Let me again say ‘WELCOME’ to our new Men’s FE-80 Community members now in their 4th Day! See You at the Gathering, November 13, Antioch UMC

Sponsors for Men’s FE-80: At our Closing event for Men’s FE-80, you agreed to bring your Pilgrim, (our new Community member), to the next Gathering and to the next 4th Day Follow-up training. Our November 13th Gathering at Antioch UMC will be at 3:30 pm and include an introduction of your Pilgrim to his new Community and give him the opportunity to describe his 4th Day so far. Our 4th Day Follow-Up training will be on January 8, 2011, at 1st Christian Church at 9am and give your Pilgrim the opportunity to Sponsor and Team. If YOU bring your Pilgrim to these two events it will be transformational for your Pilgrim – they will engage, participate and help the Community conduct our Father’s business through Emmaus. If you do not bring your Pilgrim, chances are we will not see them again.

Women’s Weekend: We have the Women’s Weekend FE-81 coming up Thursday, November 18th through Sunday, November 21. Come to our November Gathering at Antioch UMC to Commission the Team. Sign up to serve and/or pray on the Weekend, come to Candlelight, come to Closing – these are wonderful opportunities to experience God’s agape love first hand and be a witness for Christ to the Pilgrims.

Teaming: Our Spring Walks will be March 31 – April 3 for Men’s FE-82 and April 28 – May 1 for Women’s FE-83. If you wish to Team and your application isn’t current, please submit a new Teaming Application as soon as possible. For those of you who have NOT attended a 4th Day FollowUp training session, (and we know there are many of you!), please mark your calendar for January 8, 2011 – same day as our January Gathering – and attend a training session so you can Team and Sponsor. If you are new to the Community and plan to attend the 4th Day FollowUp on January 8th, go ahead and submit your Teaming application – just note your intent to attend.

Please be advised that the Board has approved implementation on the Spring Walks 2011 of the Upper Room Guidance that the Weekend Servants not be part of the Team training process. New 1st time Teamers will be assigned to the Weekend Servant pool and participate in a separate process of preparation for serving on the Weekend. After they have served on a Weekend in a servant role they will be eligible to participate in the full Teaming process.

Also, the Board has approved the Team Selection Committee recommendation that Team applicants who have Teamed on the two prior Walks will not be considered for a third Team unless we are not able to fill the necessary Team positions. This action has been taken in an effort to make room on our Teams for more people to Team and progress in responsibility.

Upper Room Guideline Details: Elsewhere in this Newsletter Dawn Kendall has provided a detailed listing of the actions unanimously approved last month by the Board for implementation on our Spring 2011 Walks.

Please in prayer for our Women’s FE-81 Team and the Pilgrims – all who God would send. Remember Sponsor’s Hour, Candle Light, and Closing – see you there!

De Colores,
Dick

Agape Bags:

Remember when you saw your agape bag for the first time? God filled that eye-catching bag with love letters just for you. Will you help make a pilgrim’s walk special? You can buy brightly colored rainbow striped fabric, cording, and bright shoelaces to donate. Or you can make agape bags; they are sew simple to make, (12” wide and 15” tall, please). Say “I’ll help” – just call Diana Farrar at 540-372-7535 or email her at HRHDiana@juno.com

From the Community Spiritual Director

Thanksgiving – Sacred, Simple and Sincere

The psalmist wrote “My heart is stirred by a noble theme as I recite my verses for the king; my tongue is the pen of a skillful writer” (Ps. 45:1 NIV). Indeed my heart is stirred by the glorious presence of God on Fredericksburg Emmaus Men’s Walk #80. Hearing such powerful testimonies from the pilgrims were “proof” positive of the wondrous and transforming power of Jesus Christ. The grace and presence of God was all over Camp Happyland and for this we give God thanks! There’s a sweet, sweet spirit geminating throughout this community. It is the spirit of the living God and we have found divine favor with Him. Amen to that!

As we enter into the Thanksgiving and Veteran’s Day celebration, I wanted to pause and thank those who have and are currently serving in the Fredericksburg Emmaus community. We as a faith based community thank God for His indescribable gift. We are a blessed people; a well kept people and a people in which the love of Christ is evident on each face. To our veteran’s, we say thank you for your service to our country and to your fellow man. You gave your tomorrows for our todays. Your sacrifice has become for us a sacred responsibility to safeguard our way of life. As a ecumenical community we shall never forget those who have made the ultimate sacrifice.

The purpose of Emmaus is to renew the church as the body of the risen Christ in the world through the renewal of Christians as faithful and committed disciples of Jesus Christ. Emmaus expands participants’ spiritual lives, deepens their discipleship, and rekindles their gifts as Christian leaders in their churches and communities. These aims are accomplished not only during the three-day Emmaus Walk but also through participation in Group Reunions and community Gatherings, sponsorship, prayer, support of Walks, and service on teams (The upper Room Handbook On Emmaus, p. 2).

Those who sponsor and serve in whatever capacity have a sacred responsibility to ensure the pilgrims are escorted through the completed journey process of Emmaus. Sponsorship is the starting point; however it does not end there. Pilgrims attendance at the first gathering is vitality important. This is followed up by their presence for 4th Day Follow-up training which qualifies them for increased service within the community. Sponsor directly influences the outcome - both positively and negatively. Positively if they walk their pilgrim through the entire process. Negatively if they sponsor their pilgrim on the weekend and allow it to end there!

As pastor I can attest to the benefit of sending members to Emmaus. Ministry vacancies are being filled by those who have attended a Walk. They return with vigor and renewed purpose. As one who has served I can also attest to the fact that too few laity and clergy are actively serving. We can and must do better.

November Reports from your Board Members/Coordinators:

Manuals Coordinator – Mike Remington

Did you know that the Emmaus Community has Manuals & Booklets available for purchase or loan at the Gatherings? Yes! They will be on display during the Fellowship time located somewhere near the Fellowship area for your convenience. Please contact Mike Remington if you need assistance between the Gatherings.

Fourth Day Support Coordinator – Cam Noden

We have been working diligently on the 4th day ministry and have come up with some very useful tools that are awaiting board approval. We're working on establishing four working groups that will help grow, benefit, and improve the Fredericksburg Emmaus Community.

WANTED: 3-4 Emmaus "junkies" who have an unending desire to see that pilgrims have a really awesome 4th day experience. If this is you, please let Cam know you want to help.

Gathering Coordinator – Ava Hanger

As we work up to having a child care program in place for the New Year, please contact Ava Hanger or Jacob "Tiny" Riley if you would like to include your children in the program, so that we can get an idea of how many to expect. There's no "sign-up", per se, but we would like to have a general idea of what to expect at the start of the program. We will also need parents and guardians to help out on a rotating basis. This is for the sake of the entire program! Parents need to know that what their children are doing is relevant and meaningful. Also, the Children's Gathering will need adult help. We would ask that parents who include their children regularly in the Children's Gathering commit to helping once a quarter, as they are able. We are currently accepting any and all ideas for the program, as well as energetic volunteers!

Pilgrim/Team Support Coordinator – Carol Burke

The Team Selection Committee is beginning the process of working with our Spring Walk WLDs to identify Leadership Team members for Board approval. Team Selection Committee will meet on Thursday, 11 November at 1st Christian Church. Actions to include Board Recommendations for Leadership Teams for Spring 2011 Walks and WLD Candidates for Fall 2011 walks.

This cycle is challenging as we are introducing significant changes in the process to comply with the Upper Room Emmaus guidance. Dawn Kendall will lead a discussion of Teaming changes for the upcoming Spring 2011 walks. WLD Training for Spring 2011 WLDs will be held prior to the Team Selection Committee meeting.

Pilgrim Selection Committee was able to fill the Men's FE-80 Walk with 24 Pilgrims and currently has a full complement of 24 Women's Pilgrims for our upcoming FE-81 Walk!

Weekend Support Coordinator – Mike McDonald

Congratulations to Gary Adkins who has volunteered to be our newest Name Badge Coordinator. Thanks Gary for your efforts.

I have approached several members of the community and asked them to prayerfully consider volunteering for a couple of the remaining open positions in our weekend support areas. We have a few openings there and can always use an extra hand. If you have a calling in being a part of our weekend support efforts please contact me.

I would also like to take a moment to recruit members for the Board Nomination Committee. If you would like to serve in this role or have questions about exactly what this role is or how it works please send me an email or see me at the next Gathering, Closing, etc.

Spiritual Director - Greg Akers

I Thess 5: 18 tells us that an attitude of thanksgiving in all circumstances is God's will for us. When we do this we magnify God instead of the problem! Another way to say is that a heart of thanksgiving turns worries into trust, and then the Lord can begin the miracle for us we desire.

Upper Room Guidelines Implementation Committee – Dawn Kendall

The Board of Directors approved the implementation of the following actions to align with the Upper Room Emmaus model.

Talk Room Roster. The talk room team will consist of: 1 WLD, 3 ALDs, 5 SDs, 6 table leaders, 6 assistant table leaders, 1 Board Rep, 1 floater, and 3 musicians. A 6-table walk will have 26 team members. Reducing the table number reduces the team by 2.

Support Committee. By approving the roster as presented in the model, the support committee becomes critical.

The Support Committee will include the Lead Servant, Lead Agape Servant, and Prayer Chapel servant, as well as all the community "clipboard" functions. First time teamers shall serve with the Support Committee. Roles currently filled by community volunteers will continue to be conducted by the community.

The talk room team and the support committee will attend a group orientation meeting and then will conduct separate meetings to prepare for the weekend.

The team progression is: servant >Asst. Table Leader >Table Leader >ALD (new) >ALD (experienced) >ALD (WLD for next walk) >WLD >servant

Consecutive Team Limits. It is important to the growth of the community that people have the opportunity to serve and progress. Community members should only team twice in succession and should take at least one walk "off" to allow other people the opportunity to serve, including Board representatives and musicians. If there is a shortage in an area, repeated teaming may be necessary.

WLD Qualification Requirements. The Weekend Lay Director must be able to honestly speak and demonstrate the Emmaus principles. To do so, the WLD must be part of a reunion group focusing on the Emmaus principles of piety, study, and action. The WLD must be an active member of a church and have pastor approval to lead and be active in the Emmaus community. The WLD must have the time necessary to commit to planning and conducting the weekend and agree to follow the Emmaus model. Because Emmaus service begins and ends in anonymous servant, the WLD shall agree to participate as a servant in the future, prior to teaming again in another role. The Team Selection Committee will determine the applicability of the candidate's service through evaluation of previous Emmaus service and personal discussion with the candidate.

Separation of Team Members, Sponsors, and Pilgrims Roles. Teaming and sponsorship have distinct responsibilities. It is not possible to fill both roles at the same time and do them well. Therefore, team members may not represent themselves in a sponsorship role. It is also important that pilgrims be free to experience and respond to the Walk. The Pilgrim Selection Committee shall review pilgrim applications to determine if a pilgrim's walk will be impacted by the presence of a particular team member.

Prayer Requests from October Gathering

Daily Internet Prayer Chain

Would the Community like to have a Daily Internet Prayer Chain? A Prayer Chain Coordinator would receive your daily prayer requests and distribute them to the Community members who have signed up to receive and pray for them. Would someone like to be the Prayer Chain Coordinator? This would be a demanding ministry but 'powerful and effective.' Please contact Dick Barnett at k4guj@aol.com if you are interested.
