PILGRIMS! PILGRIMS! PILGRIMS! PILGRIMS! PILGRIMS!  
NOW! NOW! NOW! NOW! NOW! NOW! NOW!

We have many new SPONSORS!!! What a coincidence, since we need many new PILGRIMS!!!

Sponsors please send us Pilgrims for our Spring Walks. Download an application from FredWalk.org, go see your Pastor, ask your Pilgrim!

Men's Walk FE-82 has been Teaming for the past month and I hear GREAT reports from one and all that the Holy Spirit is moving among the Teamers, the music is outstanding and the program much appreciated as they prepare for their Weekend March 31 - April 3. Please take the time to carefully review the Men's FE-82 roster and assignments in this Newsletter - pray for each man that he might be Christ for the Pilgrims and his assignment be a blessing.

Come to our March Gathering at Hillcrest UMC to meet and commission Men's Team FE-82!

Please also be in prayer for our Men's Walk Pilgrims - those who are listed in this Newsletter and all those who the Lord will send.

Women's Walk FE-83 will be Teaming throughout March and April after their Orientation meeting in February. We expect great things from FE-83 as they prepare for what we pray will be a full contingent of Pilgrims.

Speaking of Teaming - we have some 1800 Community members listed in our January 2011 Fredericksburg Emmaus Directory. Of those 1800 Community members, only 94 have currently active Teaming applications! Said another way, only five percent of our Community have applied to Team. In an effort to motivate our Community to Team, your Team Selection Committee agreed last month to contact each Community member in our Directory to ask them to Team. We have divided the Directory up among us and over the next few weeks will be contacting each of you by email and telephone. Your Team Selection Committee members are: Dick Barnett, Pastor Joe Reed, Dawn Kendall, Tim Patrick, Susan Dillard, Mike Remington, Gerri Bartman, Art Blankenship and Kitti Mann.

Weekend Lay Director Training for our Fall Walks will begin March 10, 2011. The first of four sessions will be led by your Community Spiritual Director Pastor Joe Reed. Would you like to know who our upcoming Weekend Lay Director's are for FE-84 and FE-85? Well...come to the closing programs for Spring Walks FE-82 and FE-83 and find out!

January 2011 Board Actions:

(1) The Board has approved a request by Upper Room that we host a Spring Regional Training session for Emmaus Boards. Some 120 Emmaus Board members from the Eastern Region will be involved. Upper Room has requested that the training be on April 9th - our Gathering Saturday - so Regional attendees can stay for our Gathering. Chancellor Christian has agreed to host the session. The Board has approved the date requested and the scheduling of the April 9th Gathering Fellowship time of 5:30 PM followed by our Gathering at 6:00 PM to accommodate the event.

(2) The Board approved the use of the Weekend Master Schedule provided by the Guideline Implementation Committee as a guideline to be used by the Weekend Lay Directors on the Spring Walks. Further, the Board requested that the WLDs insure that their ALDs critique the Master Schedule and the Board Representatives report to the Board on any recommendations for changes and/or improvements that should be made.

(3) The Board approved a Fourth Day Follow-up training session for Gathering Saturday, May 14th, 10:00 AM - 1:00 PM.

Please consider applying to Team on the Fall Walks - you have a couple months to download your Teaming Application from FredWalk.org, get your Pastor's signature and submit your application. We have some 1800 active Emmaus Community members, but only 94 of you have an active Teaming application on file. It would be great to have three or four times that number available for Teaming. Pray about Teaming.

Please plan to attend our Gathering on March 12, 2011 at Hillcrest UMC - fellowship at 3:30 pm and Gathering at 4 PM.

De Colores,  
Dick

## ATTENTION FREDERICKSBURG EMMAUS COMMUNITY!

The 4th day committee wants your 4th day testimonies. They don't have to be long, just tell us what God's doing in your 4th day, or how teaming, sponsoring, being involved in a reunion group, or attending monthly gatherings has changed your life. We will review it and if accepted, include it in the newsletter on a monthly basis. So if you'd like to share with us how God has used your Emmaus experiences in any of these areas, please email your testimony to Cam Noden at: [twonodens@juno.com](mailto:twonodens@juno.com) for review. I'll be looking forward to hearing from you!

# From The Heart Of The Community Spiritual Director

I endeavor to set my thoughts to pen and paper and speak from my heart without malice in the hopes that we may reason together. It is my heartfelt desire that the words which flow out of my heart would touch the hearts of clergy who are not active within the Fredericksburg Emmaus community. My goal is to encourage all clergy and to let them know that they are wanted and needed.

First, I do acknowledge that there are certain limitations set before some of our brothers and sisters in pastoral ministry. I will admit that I do see an intrinsic benefit in the progression of ministry and its methodology of application. As the Community Spiritual Director, I am fully aware of the story of Christianity and how denominations came into existence, from the inception of the early church to the dawn of the reformation to present day. I acknowledge that we must recognize and respect differences with regards to beliefs and doctrines which inherently segregate us.

Historically, each faith group or denomination stated their doctrinal beliefs which often brought about separation from the body and a cessation of fellowship. Through all this though, Christianity flourished and propelled itself into the vast regions of the world. John Wesley said "We may not all believe alike, but we can all love alike" (Means of Grace Talk). This must be the spiritual intent of our community. I have come to realize that there appears to be a pervasive attitude operating unchecked among some of the members of the clergy. This unscriptural bias results in too few clergy who are active participants within the community and have left the majority of this ecumenical ministry to the faithful few. I notice their signatures on their respective pilgrim' application; however, I fail to see them (clergy) attending send off, candlelight or closing.

Clergy, this should not be! We are better than this. Each of us has answered the call of Him who has preeminence in the life of our pastorate. It is true that the demands of ministry require clergy to make acceptable sacrifices. It is impossible for us to be everywhere. Each of us must really examine the old excuse of being too busy. What we are really saying is that "I am too busy to get involved with community events."

Perhaps there are doctrinal differences which are irreconcilable. Again, we must acknowledge and accept this. I am, however, not speaking of those clergy who have left the community over doctrinal differences. I am addressing those clergy who show no interest in teaming, serving on the Board of Directors or attend gatherings. This pains my heart and burdens my spirit. I was under the impression that we were all in this together. Where's the love? Where's the unity? We are the church, the Bride of Christ! We acknowledge Christ's Words are true, but too few of us agree on their importance.

Emmaus has proven its effectiveness in transformation and change by actively supporting local churches. Unfortunately, we stand on the verge of letting laity down by not having sufficient clergy participation. As an example, this will be my fifth consecutive time teaming and have been asked to prayerfully consider serving in the fall. It's not just me; there are other clergy who continuously serve on teams due to shortage of clergy. I am open to suggestions on how to increase clergy involvement. In closing, I appeal to all clergy...you are needed and wanted! Prayerfully consider getting involved.

Praying that you do!

Pastor Joe, FE#23, Table of Paul

## Community 4<sup>th</sup> Day Testimony

I work two jobs and find that it does not leave me much time to commit to Emmaus or church activities like I want to be able to do. But I go to candle light almost every walk and closing whenever possible. I also sign up to pray sometime during each walk, make agape for the pilgrims, and take time off from my FT job to serve at least sometime during the weekend. The closing ceremony reminds me of my entire walk. Walk 66 flashes through my mind and I am so moved by the walk I can't help but cry. Every one should go to candle light and /or closing just to bring back the memories of the love they felt on their walk. And if you feel like you don't have the time to commit to Emmaus, there are little things you can do that make a big impact in the lives of the pilgrims. It's all about priorities.

# Reports from your Board Members/Coordinators:

## Gathering Support – Ava Hanger

Please don't forget the Children's Gathering! We would love to have your children join us for Bible stories, coloring and crafts, snack and music time.

## Pilgrim/Team Support – Carol Burke

Sponsorship: The Most Important Job of All!

- Good sponsorship is the first act of agape before a Walk ever begins; the experience of the Walk for a pilgrim really begins with how we handle sponsorship.
- Good sponsorship undergirds the whole weekend with sacrificial love on behalf of each pilgrim.
- The aim of a sponsor should be to bring spiritual revitalization to Christians who, in turn, will bring new life and vision to the work of the church in the congregation, home, workplace, and community. The aim of sponsorship is to build up the body of Christ.
- Wise sponsorship is purposeful and prayerful!

## Manuals Support – Mike Remington:

Emmaus Books and Manuals will be available for purchase before and after the Gathering – see me...Mike

## Upper Room Guidelines Implementation Committee – Dawn Kendall

Guideline Implementation Committee members attended the February meeting with Upper Room representatives Ilyse Johnson and Rev. Faith Weedling. Ilyse and Faith both expressed that they are pleased with our community's efforts to align with the Emmaus model and to honor our covenant. Two messages stood out:

Aligning with the model is the right course of action. It will feel less awkward as we move forward. But this only impacts our current community—future pilgrims will have the same blessed experience that we had because God will do His work regardless of what we do.

The walk is only one tool—along with gatherings, reunion groups, community training, sponsorship, and service—of the Emmaus movement. We must be careful not to become too “walk focused” and forget that our true purpose is to grow disciples in the world.

The GIC continues to review the Upper Room model. We are focusing now on the team selection process. Because the criteria for Spiritual Directors is changing, the GIC will wait for the new guidance to be released to address any general issues for our community. The GIC is deferring to the Fourth Day Committee on matters designated in the model for Fourth Day activities.

The women's Orientation meeting went well and FE-83 is now teaming. WLDs, ALDs, and servants have been asked to note any issues that arise with the guidance given to them or with the schedule so that we may resolve those. Initial contact has been made with the Weekend Lay Directors for the fall so that they may prepare any questions for the GIC or the Board.

As always, we ask that you pray for the committee and for our community.
